

Spirit Pack

CHAMPS Basketball 2013-14

The Spirit Pack is a requirement that each participating athlete must purchase in order to play on the team. These spirit packs will vary from season to season depending on the equipment needed. Please note that no child will be excluded from activities based on financial needs. Below is the suggested donation for the student athletes.

This year, we are making practice gear optional for our players in order to maximize an opportunity to use the YMCA facilities on a daily basis.

With a gym membership for our players, we are given access to the gym amenities (basketball court, weight room, cardio machines, pool, ext.).
